Welcome to this thoughtfully updated Silver Lake home offering a smart blend of space, efficiency, and versatility. With 4 bedrooms and 2.75 baths, this residence provides a layout that adapts easily to modern living, whether you need room for guests, work-from-home flexibility, or multi-generational options. The main level features three comfortable bedrooms, 1.75 baths, and a warm living area anchored by a gas fireplace. The kitchen offers a generous workspace and opens to a deck overlooking a fully fenced backyard—complete with mature landscaping, underground sprinklers, and a chicken coop. Downstairs, the fully finished lower level expands your possibilities with an additional bedroom, office, bonus room with free-standing stove, storage room, and a laundry with full bath. Energy-minded updates include efficient windows, new LED lighting, a tankless water heater, natural gas dryer stub, and a mini-split heat pump ready for installation. Updates include a newer architectural 40-year shingle roof (2016), fresh interior paint, and exterior paint completed in 2025. Conveniently located near Boeing, Costco, restaurants, and shopping, with easy access to I-5.
